Since I cannot at this moment receive you sacramentally, please come spiritually into my heart. I embrace you now as if you were already there and I unite myself wholly to you. Never permit me to be separated from you. AMEN

Easter Day of the Lord's Resurrection-Sunday 4th April 2021

"But we believe that in having died with Christ we shall return to life with him: Christ, as we know, having been raised from the dead will never die again. Death has no power over him any more. When he died, he died once and for all, to sin, so his life now is life with God; and in that way, you must consider yourself to be dead to sin but alive for God in Christ Jesus."

*Mk: 16:6-7*

*May the Peace, Joy & Hope of the Risen Christ find a home in your heart this Easter.*

*Fr. John, Fr. Paddy, Fr. John, Rev. Eamonn, Thomas Mary, Marian, Frances*

**EASTER PRAYER**  
*Love overcame, emerging from a cold tomb, all the truth, majesty, and creativity of a living God, transforming a broken heart. Making a quiet return, in a still and sorrowful garden the grave stone rolled away, to release redemptive love. Jesus, resurrected and restored, comforts a weeping woman, speaks with travellers on a journey, meets with his faithful friends, and they bow down before Christ alive and acknowledge that the saviour has arrived, that the word of God has come alive, and that the extraordinary transformation of heaven and earth is complete.*

**NAVAN ROAD COMMUNITY COUNCIL**  
 Now that National Tree Week has just ended, you may have learned more about the benefits, apart from the beauty, of our trees. They give us oxygen to breathe, reduce pollution, and provide protection and a home for our birds - and, ALL ALONG NAVAN ROAD - PROVIDE PRIVACY to homes. As the traffic is proposed to come closer to homes, with road widening, it will be essential to save as many trees as we can. Working together hopefully we will have a scene of yellow, or whatever colour, ribbons on our trees.  
 Concerns about the **Phoenix Park Mobility Study**, expressed by many others, as well as NRCC - refer to seeming lack of co-ordination and indeed 'study' of the effects of changes to traffic forced out through our areas while, simultaneously, **Bus Connects** proposes changes, such as:- Old Cabra Road to become bus and local access only, forcing all other traffic along New Cabra Road. More concerns were expressed by NRCC, that this will result in endless rat running through Blackhorse Avenue, and our lovely roads off it, Skreen Rd, Nephin Rd., and Baggot Rd. We have stated this clearly in our submission to Bus Connects, whilst also informing the Phoenix Park Mobility Study of this expected result within our area, from the separate Bus Connects 'study'. We do not object to improved Bus schedules, or to reducing traffic through the Phoenix Park, but are very concerned that all local concerns have not been considered.  
**LITTER: Please bring home your litter when visiting the Phoenix Park & please remember to scoop your dogs poop from the footpaths to make exercising safer & more pleasant for everyone. THANK YOU**  
*Wishing everyone as happy an Easter as possible.*
