‘TAKE THIS AND DIVIDE IT AMONG YOURSELVES; FOR THIS IS MY BODY Jesus presents his very life as food for the world. The focus at table turns to the source of the food, to the bread of the nations. It is given to be divided and distributed and shared so that all may be at one meal. This is his body broken for the cause, given for the people, to keep them together, to nurture them in the desert crossing, to bring them to the table of communion. This is the body, born in historical time, reaching beyond all time. This is his body passing over to life, holding the imprint of the victory. **‘DO THIS IN REMEMBRANCE OF ME’** gather the people and come to my table.

Bring all who are hungry and thirsting for life.

Call them from the byways and alleyways. Make an extra space for the latecomer. Do not spare the bread. Finish the wine. From the great communion of heaven and earth. Welcome the stray, give your chair to the fallen. Let the great transformation begin with you and among you until the war is over.

Eat together from the Bread of Life and share the place of friendship- and when you do, do it in memory of me.

FEAST OF THE MOST SACRED HEART OF JESUS Friday 24th June

O most holy heart of Jesus, fountain of every blessing, I adore you, I love you, and with lively sorrow for my sins I offer you this poor heart of mine. Make me humble, patient, pure and wholly obedient to your will. Grant, Good Jesus, that I may live in you and for you. Protect me in the midst of danger. Comfort me in my afflictions. Give me health of body, assistance in my temporal needs, your blessing on all that I do, and the grace of a holy death. Amen.

**NAVAN ROAD COMMUNITY
COUNCIL**

We now confirm that our Core Bus Corridor sub-committee / (dealing with Bus Connect plans along Navan Road, Blanchardstown to City) have organised a **PUBLIC INFORMATION**

MEETING - Wednesday 29th June, in the Navan Road School Hall from 8.00p.m.-9.30p.m. We hope you can attend for some of the time at least, to learn more about the main concerns. Whilst supporting better bus services, regrettably the plan to remove up to 150 trees along Navan Road, from Auburn Avenue area to Cabra Cross, is not acceptable:- trees absorb carbon monoxide from cars & buses reducing breathing problems caused by these emissions; along house frontages on Navan Road they maintain some privacy from stalled or stopped buses, looking in to your living rooms; noise is reduced by the trees; many local birds live within; their removal will leave a long & ugly concrete landscape.

REMINDER: Sunday Tribune:1/7/98 - in a study on air pollutants, carried out at Merchants Quay, Rathmines and ASHTOWN GROVE, average amount of pollutants was 63 micrograms per cubic metre as confirmed way back then, how much more now? Where is IRELAND's commitment to Climate Change Agenda along our Navan Road? *We hope to see you on 29th June*
