Navan Road Parish-Our Lady Help of Christians

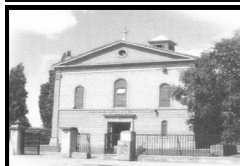

**BUILDING HOPE  
OUR CALL TO ACTION**

**Thank you to all who completed the questionnaire and returned it to the church.**

Together with the Building Hope Committee, we will input the correlated results into the Diocesan-wide initiative. A report will be available in the Church over the coming weeks.

**SUMMER DUES:** Last Summer, the Diocese introduced the Summer Dues to supplement the Common Fund out of which priests' salaries are paid because it had fallen so low on account of the Pandemic and the closure of churches. The Common Fund continues to make a slow recovery but the Diocese have asked that we continue with the Summer Dues again this year. If you would like to make a contribution you will find envelopes on the Church tables. Your ongoing support is always greatly appreciated. **THANK YOU**

**Our Parish**

**THIRTEENTH SUNDAY IN ORDINARY TIME 26TH JUNE 2022**

**REFLECTION**

Blessed are the faithful: they are like safe anchors in a world of broken moorings. Blessed are the just: they are to society what leaven is to bread. Blessed are the generous: they keep alive our faith in the essential goodness of people. Blessed are the caring: they shine like beacons in a world darkened by indifference. Blessed are the genuine: they glow like gems in a world of falseness. And blessed are those who, having put their hands to the plough, refuse to look back: They will be found worthy of the kingdom.

## NAVAN ROAD COMMUNITY COUNCIL

Navan Road Community Council Core Bus  
Corridor sub-committee will hold a PUBLIC  
INFORMATION MEETING 29TH JUNE-PLEASE  
NOTE;THIS MEETING IS CANCELLED. IT WILL  
BE RESCHEDULED FOR A LATER DATE.

Our major concern is proposed removal of 150 trees  
along Navan Road, and removal of green areas in  
front of homes. Both will bring buses close to homes,  
with loss of privacy, more noise & fumes closer. Our  
trees are a natural way of combatting climate change,  
to which our Government is committed. Bus Connects  
promise to replace some removed trees with new  
trees, which would take years to reach maturity,  
beyond many of our years. We hope you will have time  
to come to the meeting. We welcome a better bus  
service, not at the loss of our environment.

### THE PHOENIX PARK

Arising from The Transport and Mobility Plan for the  
Park, as published last year, **Phase I** of a Parking  
Strategy will begin consultation, starting with an  
online survey to hear ideas for dealing with parking  
within, and adjacent to the Phoenix Park. This will  
be part of a draft strategy to be published later in the  
year, and there will be as a non-statutory public con-  
sultation. There will also be engagement with key  
groups and stakeholders within and in the vicinity of  
the Park. Unfortunately, yet again with a 'public'  
consultation - all will only be online, depriving all  
those who are not. The Phoenix Park is a NATIONAL  
HISTORIC PARK, subject to 7 or 8 EU Charters &  
Conventions. Here is the link for the survey  
from Wed 15 June until 8 July 2022.
