## FIFTH SUNDAY OF EASTER 7TH MAY 2023

To follow the Way of Jesus is to become a special kind of person, a person whose whole being reflects the Truth and the Life that Jesus reveals to us. It is to be a person of Truth and Life who is totally identified with the vision and the values of Jesus. The medieval monk *Thomas à Kempis* the author of *Imitation of Christ* explains Jesus' statement, "I am the Way and the Truth and the Life" thus: "Without the way, there is no going; without the truth, there is no knowing; and without the life, there is no living."

## LAY MINISTRY COLLECTION THIS WEEKEND MAY 6th & 7th

The Archdiocese of Dublin **Lay Ministry Collection** takes place on **Saturday and Sunday, May 6th & 7th**. The Lay Ministry Collection will support the development of a variety of lay ministries, providing for more women and men to work alongside the priests and deacons. Our hope is that lay ministry will make a significant contribution to pastoral life into the future.

***This Collection will replace the 2nd Collection (SHARE)***

**IMPORTANT REMINDER;** time limit to submit on Electoral Boundary changes is the **10th May**. If you wish to have your T.D's in the same Electoral constituency as your Dublin City Councillors, you can submit your wishes/concerns on line to - **constituencyreview@electoralcommission.ie** or by post to An Coimisiún Toghcháin, Dublin Castle, Dublin, 2. At present our 4 T.D.'s are within West Dublin/Fingal, whereas our Dublin City Councillors, are within (Cabra/Glasnevin) NRCC will be submitting to have both electoral levels restored to our Dublin Central area. See full info in last week's Newsletter.

**Phoenix Park, Mobility Study;** This issue is back to next stage, at very short notice, under 'Public' Consultation until 22nd May/just one month's notice given; we will be asking our T.D.'s, all in Dublin West, to ensure a longer period is given to submit. For those not on line, there is a small hard copy version to study at the Visitor Centre in the Park, (closes 5.00p.m. so get there earlier as you need minimum hour to read through) There are no enlarged drawings or pictures on the walls, all information is contained in 3 small booklets, requiring a magnifying glass to read drawings/plans, all to do with making more parking in the Park, a National Historic Park, of Passive Recreation. Can be viewed on line at Parking Strategy Public Consultation Survey. There is a suggested submission letter with queries on parking only. We respectfully suggest people might do their own letter and leave it there, as we could not find any postal address to submit to, for those people not on line. More next week.
