REFLECTION- From 'My Catholic life'

'As we celebrate Easter, it is important to know that we do not yet know all that is promised to us by the Resurrection of Christ. If we can at least know that, then our spiritual appetites will make us hungry to know. Too often, Christians go through life satisfied with the most basic understanding of the Gospel. We know that God became man, lived His life, gathered followers, taught and performed miracles, died on the Cross, rose again, ascended into Heaven, and sent the Holy Spirit. Furthermore, we have hope in His promise that if we remain in His grace, then we will share in Heaven after we die. But this is an exceptionally incomplete view of the full reality that has been comprehended in this life by the saints. It is their understanding we must seek with every power of our souls.'

DIVINE MERCY SUNDAY 7th APRIL -

Saint Faustina Kowalska
The Divine Mercy message is one we can call to mind simply by remembering ABC:
A: Ask for His Mercy. God wants us to approach Him in prayer constantly, repenting of our sins and asking Him to pour His mercy out upon us and upon the whole world.

B: Be merciful. God wants us to receive His mercy and let it flow through us to others. He wants us to extend love and forgiveness to others just as He does to us.

C: Completely trust in Jesus. God wants us to know that the graces of His mercy are dependent upon our trust. The more we trust in Jesus, the more we will receive.

FROM NAVAN ROAD COMMUNITY COUNCIL

Following our reminder last week of the 9 excellent exercise machines in Martin Savage Park, along the footpath - some people have asked for more information, especially the 4 which can be used from a wheelchair, as indicated on them - these are the four: 1 - "medium intensity aerobic workout, tones & exercises all upper body muscles, builds muscles in arms & shoulders". 2 - "enhances & strengthens upper arms, provides workout for back muscles, develops physical co-ordination". 3 - "Increases hand & wrist flexibility, exercises arms & shoulders, provides good upper body toning". 4 - "Strengthens upper arm muscles, enhances shoulder flexibility, stretches arms & waist and provides good all-over body toning".
