"Pilgrims of Hope"

The Logo shows four stylised figures to indicate all of humanity from the four corners of the earth.

They are each embracing another, indicating the solidarity and brotherhood that must unite peoples. It should be noted that the first figure is clinging to the cross. The underlying waves are choppy to indicate that the pilgrimage of life is not always on calm waters. Oftentimes personal circumstances and world events call for a greater sense of hope. This is why the lower part of the Cross is elongated turning into an anchor, which dominates the movement of the waves.

THE BAPTISM OF THE LORD- 12TH JANUARY 2025

REFLECTION (Br. Silvester O'Flynn OFM Cap.)

God alone can give faith, but you can offer witness.
God alone can give hope, but you can give confidence to others.
God alone can give love, but you can pass it on to others.
God alone can give peace but you can work for unity.
God alone can give power but you can sustain somebody who is feeling low.
God alone is the light, but you can make it shine for others.
God alone is life, but you can give others a taste of living. God alone can do the impossible, but through you it becomes possible.
God alone is self-sufficient...but amazingly, God prefers to count on you.
