REMINDER; Our meeting Tuesday 11th March, 7.30p.m. in Parish Centre (50P Room). We look forward to seeing possible new members. If retired professional people have time for a monthly meeting and occasional committee meetings - their knowledge would be very beneficial to NRCC. Apart from local residential issues (traffic; planning; public transport; speeding; road/footpath damages etc), every 5 years we study draft Dublin City Council Development Plans and submit observations. We also meet and/or correspond with the organisers of Bloom yearly, and of concerts in Phoenix Park, to discuss care for the Phoenix Park, and local residents concerns. They take our concerns seriously, and have encouraged/advertised use of public transport to reduce car use.
