Welcome Pope Leo XIV

"Peace be with you all!

Dear brothers and sisters, these are the first words spoken by the risen Christ, the Good Shepherd who laid down His life for God's flock. I would like this greeting of peace to resound in your hearts, in your families, among all people, wherever they may be, in every nation and throughout the world. Peace be with you! It is the peace of the risen Christ. A peace that is unarmed and disarming, humble and persevering. A peace that comes from God, the God who loves us all, unconditionally. We can still hear the faint yet ever courageous voice of Pope Francis as he blessed Rome, the Pope who blessed Rome, who gave his blessing to the world, the whole world, on the morning of Easter. Allow me to extend that same blessing: God loves us, God loves you all, and evil will not prevail! All of us are in God's hands. So, let us move forward, without fear, together, hand in hand with God and with one another! We are followers of Christ. Christ goes before us. The world needs his light. Humanity needs him as the bridge that can lead us to God and his love. Help us, one and all, to build bridges through dialogue and encounter, joining together as one people, always at peace. Thank you, Pope Francis! "

ENERGY IN YOUR HOME:

ASK THE EXPERT

It is 10 years since the publication of Pope Francis' encyclical *Laudato Si'*.

We are all called to "*care for our common home*". One of the ways in which we might do that is to be mindful of the energy we use in our own homes.

A Sustainable Energy Community has been established in the Archdiocese of Dublin to identify practical ways in which we can conserve energy (electricity and heating) and the drafting of a *diocesan energy masterplan* is under way. **Next**

Tuesday, May 20, at 7pm, we are providing an online event in conjunction with the **SEAI**. The event will offer an opportunity for parishioners to find out more about how to save energy at home – both through low-cost measures and through investing in energy upgrades with SEAI grants.

This online event will provide an opportunity for homeowners to '*Ask the Expert*' on grants and retrofitting.

To register for this online Zoom event on May 20th at 7p.m., click this link: <https://tinyurl.com/ParishionerEnergy/>.

FROM NAVAN ROAD COMMUNITY COUNCIL

NOTE: Our next meeting is

Tuesday 20th May at 7.30p.m. in the Parish Centre. We would love to see some new people who might decide to join your own Community Council.

PHOENIX PARK: Biodiversity Week from 16th - 25th May, all events start at the Biodiversity Centre, beside Glenmalure Gate/ small car park - close to Furry Glen. **Sat, 17th-** Biodiversity Tour of the Furry Glen, at 2.00 p.m. **Sun 18th** - Nature Connection Walk with Sarah Hourigan, at 2.00 p.m. Same two events on **Sat 24th & Sun 25th**, at the same time.

Our Community Gardaí held a recent presentation from AIB, Cabra, to warn about possible frauds. **Never** send monies to children away, even if only asking €20.00 without first confirming with a friend/s that it is real. **Never** go onto unknown numbers or Links, your Bank will never send out Links. **Never** give out your credit card number to an unknown person. **Money Miles** - this is a scheme where your older children will be asked to share their bank details, for a possible 'good' reason - but this is to launder monies.
