TWENTY-SIXTH SUNDAY IN ORDINARY TIME- 28TH SEPTEMBER 2025

DIOCESAN SAFEGUARDING SUNDAY

WORLD DAY FOR MIGRANTS AND REFUGEES (Words from Pope Leo)

World Day of Migrants and Refugees offers us an opportunity to reflect on the connections between hope, migration and mission.

The current global context is sadly marked by wars, violence, injustice and extreme weather events, which force millions of people to leave their homelands in search of refuge elsewhere. The widespread tendency to look after the interests of limited communities poses a serious threat to the sharing of responsibility, multilateral cooperation, the pursuit of the common good and global solidarity for the benefit of our entire human family. The prospect of a renewed arms race and the development of new armaments, including nuclear weapons, the lack of consideration for the harmful effects of the ongoing climate crisis, and the impact of profound economic inequalities make the challenges of the present and the future increasingly demanding.....This link between migration and hope is clearly evident in many contemporary experiences of migration. Many migrants, refugees and displaced persons are privileged witnesses of hope. Indeed, they demonstrate this daily through their resilience and trust in God, as they face adversity while seeking a future in which they glimpse that integral human development and happiness are possible. Moreover, we can see the itinerant experience of the people of Israel repeated in their own lives:

"O God, when you went out before your people, when you marched through the wilderness, the earth quaked, the heavens poured down rain at the presence of God, the God of Sinai, at the presence of God, the God of Israel. Rain in abundance, O God, you showered abroad; you restored your heritage when it languished; your flock found a dwelling in it; in your goodness, O God, you provided for the needy" (Ps 68:7-10).
