Irish Catholic Bishops Conference-1st May 2026

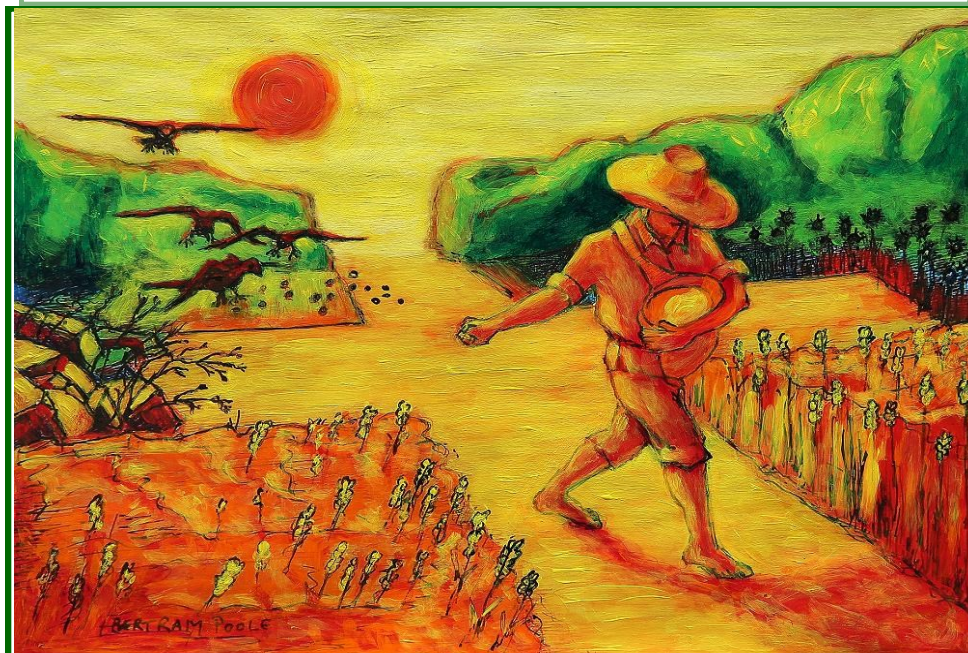

"As Christian leaders, we condemn femicide absolutely and all forms of violence perpetrated against women. While we welcome the introduction of policy and strategies to address the horror of violence against women and girls in both jurisdictions (Northern & Southern Ireland) in recent years, it is regrettable that this has not resulted in a decrease in this abhorrent murder rate. At this particular time, we urge politicians, men and women together, to continue to work with the emergency services and the courts, to ensure that they have the resources necessary to combat this epidemic. While legislation and policy are important, they can only do so much. At all levels of society there needs to be active long-term cultural change, where misogyny is not tolerated online or elsewhere, with boys and young men given the opportunity to discover the joys of positive manhood, that loves, respects, and honours women and girls, just as God loves them equally."

FIFTEENTH SUNDAY IN ORDINARY TIME 12TH JULY 2026

REFLECTION (Michael K. March-Interruptingthesilence.com)

"Sometimes life can feel pretty rocky. The ground is rough. Our footing is unsure. Stumbling blocks trip us up. New life cannot take root. There's no space. There's no depth. We live at the surface. We can't put down roots or go deep. What rocks are filling the soil of your life today? What patterns, habits, attitudes are tripping you? What's blocking your way? What do you need to do to clear the rocks from the land of your life?

Other times life is thorny. The thorns of old wounds, guilt, shame, or regret choke out the possibilities of something new. Our life is constricted and strangled by the past. We are pricked by the barbs of our own inconsistencies and contradictions. What thorns are choking your life today? What is keeping your life small and constricted? What needs to be weeded from the garden of your life? Where would you start?

And then there are those times when our life is fertile, open, receptive, rich in nutrients, flowering, flourishing, and fruitful. Life is beautiful and fragrant. We're blossoming!

WORLD DAY FOR GRANDPARENTS & THE ELDERLY Sunday 26th July
Feast Day of St. Joachim & St. Anne
(Mary's Parents-Jesus' Grandparents)

The theme chosen by Pope Leo is:

"I will never forget you" (Is 49:15)

On Sunday, July 26th, Catholics around the world will be invited to take time to reflect on the great heritage and wisdom passed on by their grandparents and the elderly. Pope Francis said *"By cherishing the charisms of grandparents and the elderly, and the contribution they make to the life of the Church, the World Day seeks to support the efforts of every ecclesial community to forge bonds between the generations and to combat loneliness, in the awareness that - as Scripture states - "It is not good for man to be alone" (Gen 2:18)."*

Grandparents and the Elderly will be prayed for at all Masses on **Sunday 26th July**, please put the names of those you wish to include on the sheets provided on the tables of the church. Prayer cards for children will also be available.

Grandparents! Please invite your grandchildren.

Children! Please invite your Grandparents.

May God Almighty bless and reward you, and may Saint Joachim and Saint Anne, parents of Mary, grandparents of Jesus, bless you all the days of your life. Amen.
